

P20 English Remediation Meeting

October 1st, 2018

Location:

TechRADD Building (Corner of Townsend Building parking lot) | 401 Federal Street | Dover, DE 19901

Agenda

Review Crosswalk of English Common Core Standards and College English Curriculum (90 minutes)

Prepare for October 9th P20 Council meeting (30 minutes)

TECHRADD-Training Facility (WARR Building)

It's the small brick building directly across from (and facing) the Dover Post Office on the corner that requires a DOE access card for entrance. An employee can let participants in the building who do not have key card access. Please knock on the door for entrance. There is a camera out front that will be monitored by the staff. To access the conference room, go up the stairs and the conference room is directly on the right.

Map of WARR building is below.

Please note: Parking is limited in DOE parking lot. If none is available please feel free to utilize the 2-hour on-street parking, or park directly across from the DOE parking lot in the Archives parking lot which has ample space and is free with no time limit.
